from 'Waitress'

FEMALE | HIGH

It's not what I asked for Some-times life

9

just slips in through a back-door and carves out a per-son and

14

makes you be- lieve it's all true, and now I've got you. And you're not

21

what I asked for. If I'm ho nest I know I would give it all

27

back for a chance to start o-ver and re-write an en-ding or two

33

for the girl that I knew who'd be reck-less just e-nough.

39

Who'd get hurt but who learns how to tough-en up when she's bruised.

45

and gets used by a man who can't love. And then she'll get stuck

51

and be scared of the life that's in- side her, gro-wing strong-er each day

57

till it fin'-lly re- minds her. to fight just a lit-tle to bring back the fire

63

in her eyes that's been gone but used to be mine

71
